

## WALK ON BY - STORIES AND CHARACTERS / REV 2-19-18

(Roles that are double-cast feature two actor names)

### AS YOU LIKE IT

*Bertie and Nancy have decided to take the big step and move into a flat together. Nancy immediately takes charge on EVERY decision regarding the flat and her alpha tendencies threaten to break up the romance. Nancy has hired ridiculously extravagant interior decorator Nova (and his/her punked out assistant, Meirion) to oversee their new place and stylistic chaos reigns...*

### THE BIG MOMENT

*Michael Travis, groomed for life for a career in politics, is running for Prime Minister and is soaring in the polls. However, he is also having an attack of conscience, mostly induced by his girlfriend, Deborah Miller, who fronts a cool rock band. It's a Mayday situation for Travis's campaign manager, Deirdre Dickinson (and her arch assistant, Caroline Bliss) who recruits a cute-but-stupid girl with a bit of royal lineage to enhance Travis's appeal to voters and distract him away from Deborah.*

### TABLE FOR FIVE

*Devon Bristol has a money-making brainstorm. She overhears the story about how her mom and dad met at a “Table for Six” match-up dinner. So she decides to do the same for her fifth-grade girlfriends who are “desperate” for boyfriends and charge money for the service. Only problem is, she can’t get any boys to take part, so she asks two girlfriends to pretend to be guys, using names she overheard on TV that the kids would never know.*
